

Isotemp™ Refrigerators and Freezers

Value Laboratory Refrigerators and Freezers

Isotemp Value Lab Refrigerators, Freezers and Combination Units

Isotemp™ Value laboratory refrigerators, freezers and combination units are particularly suited for routine laboratory applications with sizes ranging from small benchtop to full-height freestanding. Our features are not available in domestic models and meet the demanding requirements of the laboratory environment.

Alert: These units are not intended for critical lab samples. Storage of high-value life science materials or clinical biologicals may require alarm, monitoring, back-up and temperature performance features. The need to add these features should be determined by your industrial hygienist or safety officer. These units are not suitable for corrosive environments.

- Factory-tested prior to shipment
- NRTL-listed
- Environmentally friendly, non-CFC refrigerants
- Adjustable temperature control
- Easy-to-clean, durable finish
- Manual and auto defrost combination units
- Manual defrost refrigerators and freezers
